INNOVATIVE CLASSROOM PROGRAMME 2018

There has been an increasing trend of preparing for UPSC-CSE for year after year by graduates before they find themselves in the final merit list. However, in recent years, many toppers of this examination happened to be fresh graduates. This has proven that preparation for this exam CAN be started during the years of graduation.

Backed by years of experience and ongoing research & analysis of the civil services exam, we have developed our classroom programs completely in tune with the dynamic nature of examination and expectations of UPSC. It is the most comprehensive offering from Vision IAS for those students who are preparing for their CSE attempt in 2018. Apart from classroom lectures, it also includes access to complete study material, full participation in the All India Test Series and continuous expert guidance.

This program offers three courses for General Studies – **Foundation Course**, & **Weekend Course** (Both Online/Offline)

Our Alternative classroom programs share the following features:

- **Differentiated Attention:** We provide personalized, specific & concrete feedback and attention to every student.
- **Continuous Individual Assessment:** Is ensured through regular tutorials, take home assignments, and All India test series.
- **Multi modal expert availability:** Is provided on continuous basis for clearing of doubts and personal guidance. Students can schedule their one-on-one session with our experts on phone, email or even over in-person sittings.
- **Ready, relevant and up to date study material:** Is circulated in advance.
- **Interesting, interactive and innovative:** ways to organize lectures and study material.
- **Technological support:** Faculty and experts make use of animation, power point, videos etc. to make delivery of lecture and study material more interesting and easier to grasp for students. Students are given access to a personalized portal through which they can access the study material, track their absolute and relative performance on various tests, and receive administrative updates and much more.

What is Comprehensive material and how will I get them?

Comprehensive study material will cover all the topics of GS syllabus and current affairs notes. Among these, the material for topics of dynamic nature and current affairs will be provided in hard copies as well as in soft copies. Rest of the material will be provided in hard copies only. Some topics which may be revised will also be provided to you @ student platform in **soft copy only**.

How our GS Mains online test series works:

While attempting the test series via online mode, you can download the question-cum-answer booklet, take a printout, write your answers, scan your answer sheet and upload it OR you can send it to us by post/courier too. It takes 10-12 days to get your copy evaluated (with micro & macro comments & detailed guidance) and then it will be uploaded at your online platform.
